

Hi Mike,

When we contacted Care Plumbing regarding a clogged drain, you and John arrived promptly, were very professional and we were pleased to learn that the problem could be solved immediately. As we discussed possible solutions, you and John were knowledgeable and thorough and when the job was completed, we were happy with the quality of work. Plumbing problems are never easy but with Care Plumbing, we found you to be responsive to our concerns and extremely pleasant to deal with. Now you guys handle all our plumbing problems and it's great having a resource to call when we need it!
